## **CHAIR'S REPORT**

The Trustees have again met four times in 2004 and applications are dealt with at every meeting. We have appreciated being able to meet in St Pancras Church rooms.

Although the advertisement placed in some Diocesan newspapers did not result in increased funds, it has brought some interesting enquiries from organisations looking for funding. The request to the BBC Good Causes Appeal was unfortunately rejected.

During the year Coral Hallums resigned from being Chair as she had moved further away. Her commitment to the Association for many years has been very impressive and we shall miss her oversight.

At one meeting during the year the Director of Southwark Welcare was invited to talk about the restructuring of the organisation. This will entail the diocesan office taking a more central role and it was felt this would give the whole organisation greater coherence offering a more consistent service. It is always interesting for Trustees to have the opportunity to discuss aspects of the work in this way.

A report on the grants which have been disbursed and a list of recipients is found on pages 6 and 7 of this report.

As this has been my first year as Chair, I would like to thank all the Trustees for their commitment and the different ways they support the work of the Association. My particular thanks go to Derek Boddington, Hon. Secretary, who deals with all the applications and correspondence, to Louis Lewis, our Hon. Treasurer, who sees to our financial affairs so effectively, and finally to our Auditor, Mr Edward Oliver.

GILLIAN REEVE  
Chair

## **A SUMMARY OF THE PROJECTS ASSISTED DURING 2004**

It is interesting to note how an emphasis on work with children and young people emerged over the year. No fewer than seven applications were directly concerned with this. Two more applications, less direct, but concerned with teaching parenting – probably to young (and possibly unmarried) mothers – will also be observed.

Is this a co-incidence – or a possible trend showing where this kind of work is headed? Time alone will tell and the Association will have to consider whether we or another, possibly statutory, body should be undertaking these tasks.

Certainly the Church Welfare Association will continue to assist to the limit of available funds.

DEREK BODDINGTON  
Secretary

**PLEASE NOTE:**

**It is important that forms are completed with all necessary information, with the correct signatory supporting the project. If forms have to be returned to the applicant for more information etc, there can be a 3 month delay in granting funds**

Note that the total is the grants awarded, and is not reflected in the accounts because of the timing of payments.
